

# Find the right carrier *for any job*

## SELF-MANAGED LOGISTICS

**Central Dispatch** connects shippers with carriers on the nation's largest digital marketplace for automotive transportation. Select the ideal carrier for your move with the ability to view ratings, self-reported insurance documentation, and credentials. **Get competitive pricing and more control through our network of 16,000+ carriers.**

## BENEFITS FOR SHIPPERS

**Control.** Set the price and timing of your move and post a single vehicle or full load. You can also include or exclude specific carriers from your personal network and view U.S. Dot license information, insurance verification, and ratings for carriers.

**Convenience.** Get better visibility and reporting on all your moves via our digital shipping tools.

**Cost-competitive.** Ensure competitive pricing by viewing historical data to learn what other shippers have paid for similar vehicles and routes.

## HOW IT WORKS

**POST.** Post the vehicles you want to ship and how much you want to pay. Interested carriers will contact you.

**REVIEW.** Review the carrier's profile to verify they meet your criteria and needs.

**ACCEPT.** Assign a carrier to your vehicle shipment.

**RECEIVE.** Receive your vehicle(s) and rate the carrier who fulfilled the job.
